Mission

Improve quality of life by inspiring and equipping youth to become successful and productive adults.

Our mission is accomplished by using sports and recreation activities to address bullying prevention, non-violent conflict resolution, literacy and nutrition life skills.

Dear BYEF Family, Friends, and Supporters,

This annual report highlights BYEF's 2023 performance. I am happy to announce that we continued to have success building on the solid foundation we've established over the years. During 2023, we worked to ensure the organization's limited resources were expended most effectively and efficiently. We leaned into our key strategic goal of *strengthening existing partnerships and taking advantage of opportunities to broker new collaborations*. Our ongoing ability to leverage existing relationships and find new collaborations were critical to BYEF's success in 2023 in both the afterschool programs and our book and bike riding club.

BYEF's leadership team was strengthened in 2023 with the election of Mrs. Kristi Franklin to the Board of Directors. Her fourteen years of professional experience with the St. Louis County Department of Public Health, Explore St. Louis (St Louis Convention and Visitors Commission), Missouri Department of Economic Development, and Ameren Missouri will be invaluable to the organization. They will assist her in making immediate contributions to the Board.

Finally, on behalf of the BYEF Board of Directors, I would like to thank you for your support. Your financial backing and in-kind support fueled our efforts to move forward and build capacity to continue “*providing stepping-stones to success*” for young people and their families. We look forward to earning your support in 2024.

Sincerely,

Aline Phillips

Aline Phillips, Ed.D.
Chairperson

Summary of Performance Standards

“Goals and Results”

- (a) 80% of participants reviewed were able to identify all the chess pieces, how each piece moves, and how each piece attacks. (goal was 75% of all participants)
- (b) 70% of all participants will be able to recall the food groups of the USDA “MyPlate”. (goal was 75%)
- (c) 50% of participants were able to recall at least one of the three elements of the BYEF definition of teamwork and two of the five principles of sportsmanship. (goal was 75%)
- (d) 85% of the students participating in basketball were able to successfully execute the triple threat position (goal was 75%)
- (e) 100% of the basketball participants were able to execute a defensive position on man with the ball not in scoring position. (goal was 75%)
- (f) 100% of the participants were able to successfully execute throwing and catching a chess pass and bounce pass. (goal was 75%)
- (g) 80% of participants were able to identify examples of foods in the USDA MyPlate Food groups (goal was 50%)

Stix Early Childhood Center 1st and 2nd grade program participants with Principal Diane Dymond and Site Coordinator Brian Ford.

Nance Elementary 1st and 2nd graders practice thinking before acting by playing chess.

Nutrition Education Sessions

Nutrition Education Instructor Joseph Clark from the St. Louis University School of Nutrition and Dietetics guided program participants from Stix and Nance through two six USDA Myplate lesson plans and instructed them on preparing the day's healthy snack.

2023 Reading Riders

This year representatives from the Torch Bearers 2 and Eastside Heart and Home Family Center joined volunteers from BYEF in recruiting club members for the Reading Riders 2023 adventures.

Six females, ages 6, 7, 7, 9, 11 and 15 participated in the club. They were joined with nineteen males participated ranging 7, 7, 7, 7, 8, 8, 8, 9, 10, 10, 11, 13, 13, 13, 14, 14, 14, and 16. Nine parents and one grandparent joined in the fun on at least one of the trail rides.

Two St. Louis Ready Reader West End Neighborhood Block Captain volunteers coordinated and conducted the reading component of this year's club.

The reading activities included reading from, Don't Throw It To MO and Swim MO Swim by David Adler, Juneteenth by Floyd Cooper, Katie Fry Private Eye The Lost Kitten by Katherine Cox and a reading scavenger hunt for points at the interpretive center at the Lewis and Clark Historic Site in Hartford, Illinois.

Manchester United Methodist Church Bike Rehab donated 21 bikes to the program. The club escaped the hottest part of the 2023 St. Louis summer but the discounted water bottle racks from St. Louis BWorks were greatly appreciated.

BYEF general program funds, club program fees (\$25 per club member), plus grant funds from the Spark Grant awarded by the League of American Bicyclists and the Feuerbacker Grant awarded by the Carondelet Sisters of St. Joseph's covered the costs to conduct this year's club.

Reading Riders Weekly Trail and Mileage Schedules

Grant's Trail (10.1-mile ride)

Roundtrip Orlando's Event Center to Grant Historic Site

Busch Greenway (8-mile ride)

Roundtrip Loop near Weldon Spring Interpretive Center

MCT Schoolhouse Trail (9.6 – mile ride)

Roundtrip IL Hwy 203 Trailhead to Horseshoe Lake Park

MCT Confluence Trail (10-mile ride)

Roundtrip Chouteau Island Canal Trail to Lewis & Clark State Historic Site

St. Vincent Greenway Trail (11.6-mile ride)

Roundtrip St. Vincent Park to downtown Ferguson, MO

Katy Trail (14.9-mile ride)

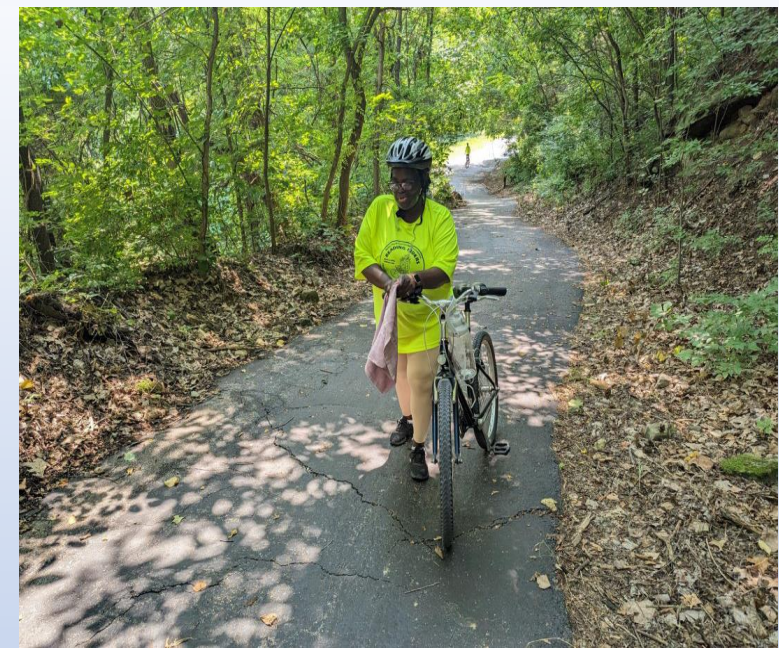

Dutzow, MO to Defiance, MO

The reading activities included reading from, Don't Throw It To MO and Swim MO Swim by David Adler, Juneteenth by Floyd Cooper, Katie Fry Private Eye The Lost Kitten by Katherine Cox, bike trail reading about the Monarch butterfly, and a reading scavenger hunt for points at the interpretive center at the Lewis and Clark Historic Site in Hartford, Illinois.

Parents Got Involved

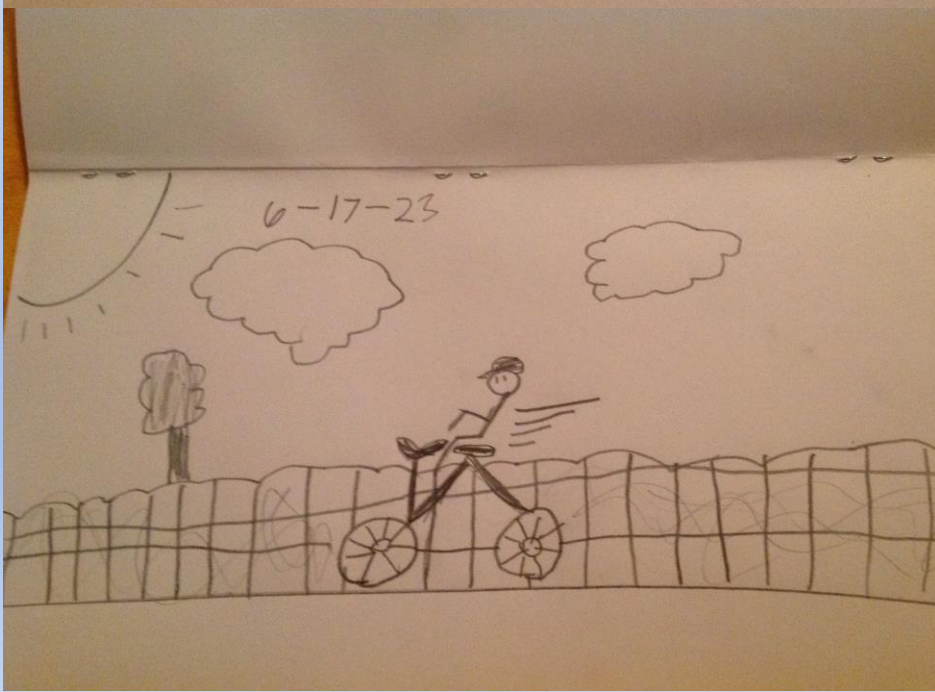

June 10, 2023

Dear Journal,

Today's bike ride was fun but also a bit challenging because of the slippery gravel. I also regrets wearing

black jeans, because afterwards my legs ended up being really hot and it was kinda hard to move my legs.

Looking forward to next weekend.

BYEF's 2023 Hats Off Volunteer Awardees

Two dedicated hard-working twin sisters, Brenda Mooney Tillman and Linda Mooney Nash, were recognized as BYEF's 2023 Hats Off volunteers. Both sisters have been generously sharing their time, talent, and finances with BYEF since the founding of the organization. Throughout the years they could be found assisting with youth recruitment for programs, fundraising, and with the Reading Riders Book & Bike Riding Club. Brenda also assists with the afterschool dance program and Linda's photography skills have been key to archiving BYEF activities.

HATS Off to Brenda and Linda for embracing BYEF's mission and answering the call when needed.
